

National Workshop on UI GreenMetric for Universities in The Nordic and Scandinavian Countries

Copenhagen, 3 October 2017

Aalborg University

DENMARK

The Copenhagen UI GreenMetric Workshop aims to enhance the participation of Scandinavian and Nordic Universities in UI GreenMetric towards a sustainable 360 degrees approach in terms of infrastructures, waste, water, energy and climate change, transportation, and education. UI GreenMetric World Universities Ranking, managed by Universitas Indonesia since 2010, represents a reliable tool for national and international comparison of Scandinavian campus programmes and achievement in global universities.

UI GM Chairperson, Professor Riri Fitri Sari will introduce the ranking's framework and indicators in detail, in order to improve data collection and promote the involvement of even more universities in Denmark. Case studies and good practices will be presented in order to share best organizational and strategic solutions in the field of sustainability. The seminar is hosted by Aalborg University.

UI GreenMetric is singular in its ranking of universities in the area of sustainability and is recognized as such by IREG (International Rankins Expert Group). In order to make better impact to the global sustainability environment, universities need to put more efforts into the six criteria above, particularly on "energy and climate change". To learn more about UI GreenMetric World University Rankings, its network, and how to join, please COME and JOIN our workshop at Aalborg University. For more information about UI GreenMetric, please visit our website at www.greenmetric.ui.ac.id.

Please direct any questions regarding the above to **Ms. Birte Hornemann**, Aalborg University, Denmark at bch@aub.aau.dk and UI GreenMetric secretariat at greenmetric@ui.ac.id.

The conference is free of charge and will take place at:

Aalborg University
A.C. Meyers Vænge 15, room 3.084A
2450 København SV
Denmark

Aalborg University will host a lunch.

Please registrate here before 26. September: <https://goo.gl/forms/rTbmFTPivjuTk3E32>

Programme

DAY 1: 2 October 2017	
All Day	Arrival of the participants – Campus tour of Aalborg University
DAY 2: 3 October 2017	
10:00 AM - 11:00 PM	Registration, networking and coffee break
11:00 AM - 12:15 PM	Opening Ceremony <ul style="list-style-type: none"> • Welcome speech 1: Antonino Castrone (Director of Aalborg University) • Welcome speech 2: Prof. Riri Fitri Sari (Chairperson of UI GreenMetric, University of Indonesia)
